**MURAL**

## Biography

Artez is one of the leading Serbian street artists and muralists, whose style could be described as a mix of realism and illustration. He has been active in recent years on the global street art scene, creating murals in many different countries, including Spain, Italy, Germany, India, Sweden, Brazil, Norway, Georgia, Argentina, Serbia, and many more. His recent work focuses on the dialogue between the figures on his murals and the viewers.
