MURAL

SCULPTURE

TEMPORARY INTERVENTION / POP-UP

## Biography

Argentine-American artist Cecilia Lueza is well known for creating vibrant public art pieces across the United States and beyond. Throughout her career, the artist has intensely explored a wide range of artistic media including painting, sculpture and monumental public art installations. Her awe-inspiring murals can often be found in unexpected locations such as rooftops and street intersections.

Lueza showcases deliberate talent, precision and upbeat compositions that explore the visual effects of color and incorporate elements of nature and geometry. Through a meticulous and careful process she strives to create unique works of art of great visual impact.

Her work is part of many public and private collections throughout the United States, Europe and Latin America.
