Biography

On June 12th, 1972, Craig was born into a musical & artistic family in Connecticut. Being influenced from a young age by his successful artistic mother, great uncles & a grandfather who were big band musicians, Craig's destiny to evolve into an Artist was inevitable.

After graduating from Florida Art Institute, Craig plunged into varied list of artistic endeavors to maintain sanity & relative balance. Craig creates artwork not only for himself but hopes it will stimulate emotions within others...there is no other reason. Craig's resume extends beyond physical paint, brush & canvas but includes national tours with multiple music bands, created storyboard art and props for motion pictures, wardrobe & character design and a tattoo artist.

For the past 15 years Craig has been the successful Creative Director of Fright Nights at South Florida Fairgrounds.

Craig's love is to give back to the art community and consistently hosts educational art teaching sessions with both teens & adults.

As a proud Co-Founder of NMSAF(No More Starving Artist Foundation), Art Synergy and CONTINUUM, Craig continues to NEVER take his creative gifts for granted.
