MURAL

Biography

Dani Douglas is an artist living in South Florida, specializing in hand-painted murals. Dani travels around the country to design and paint custom murals for public, commercial & residential spaces. She is driven to transform bland, uninspired walls into stylishly designed works of art that complement and enhance the current decor and environment she is working in.

Her work is inspired by a wide range of styles - from the vibrant palettes and imagery found throughout her home state of Florida, to bold, abstract geometric compositions.

With a BA in Art History and a lifetime passion for the arts and creativity, Dani launched her professional art career in January 2020. Since then, she has designed and painted over 50 custom murals for clients' homes and businesses.
