MURAL

Biography

Devona Stimpson is an artist + creative entrepreneur living in Houston, TX. She is the artist and designer behind Art By Devona where she sells flawlessly crafted artworks, murals, and prints painted with a brilliant fusion of colors that you'll LOVE. She specializes in portraiture with a style in abstract realism. The expressions and postures of her subjects usually radiate power, vulnerability, and strength. Her artworks & murals can be found in homes and businesses across the world. Devona is also the host of the gangSTAR* Creative Podcast helping creatives thrive in their businesses and lives, the co-founder of an award-winning international branding boutique, Strive & Grind, that's been featured in Forbes, and a best-selling author, international speaker, and branding expert.
