## Biography

FUNQUEST was born and raised in Japan where he was inspired by the music and the manga which drove him into the art world. He is a pop, street and mural artist based in New York. He uses the acrylic paints, sprays and pens on canvases and walls. He worked for the galleries like WALLWORKS NY Art Gallery, various cafés, the pop-up events, such as REDKEN's new products line and the festivals for Akumal in Mexico, UHILL Walls in N. Carolina, 5Points LIC in Queens and more... He is focus on the vivid colors and "Line" through the techniques of his arts.

The sights that FUNQUEST is seeing to all things in this world are created with the line and curve. The line and curve he is expressing in his art is the "Beauty". The colors he's using as his techniques of his arts make this monochrome world to bring it bright and shiny.
