MURAL

Biography

Girls Who Paint Murals is owned and operated by the South Carolina creative team of Christine Crawford and Allison Dunavant. Christine & Alli have ample experience in creating and designing custom murals for commercial and residential clients as well as hand painted logos, signage, and branding all along the East Coast. They like to say their niche is that they have no niche - this duo listens to clients to bring their vision to life all while making designs unique and one-of-a-kind. When we get the opportunity to have creative freedom, we love to paint portraits, landscapes, and mixing illustrative concepts with stylized elements.
