Gallery

1000106891
Miami 2025 Two Florida scrub jays endemic to Florida repurposing a factory area. Curated by knowngallery

1000097908
London 2025 Mural south of London with the story of a local hero, who traveled th country just to come back and plant flowers all over the neighbourhood

1000081740
2025 Osaka, Japan . North of Osaka I tried to summarise the slow life of the area including all the nature and arts surrounding the inhabitants

1000077458
2023 Bonn In the Center of Bonn I painted the story of an insane biodiversity loss in the area. I am convinced that even a sad story can be painted beautifully. Curated by city of Bonn & InUrFace.eV

1000077400
2024 Weston, UK. With this mural I wanted to show the interaction of whales that can communicate and be close even though they are many miles away form each other. Curated by pfest

1000077401
2023 Assen, NL. This mural was curated by the Dutch national museum paralleled to a Hugh van Gogh exhibition. It explores the decay of the artists mind with one of his strongest motives.
