## Biography

Carlos Diaz de Arce AKA The Space Monkies is a Chilean and Cuban artist who lives in the United States. He is known for his unique way of displaying abstract, psychedelic, expressionism, through a surreal vision and a bold acrylic medium. He describes his influences as spiritual investigation. And also drawing from interest from his younger years, where he says he has discovered his purpose as an artist. His most popular works are intended to encourage not only humanitarianism but also world unity; which Carlos hopes will create a necessary change in the world.
