Biography

<blockquote>Whitney Holbourn:

I am an artist that currently resides in Denver, Colorado. I was born in St. Pete and have spent a lot of my life in the Tampa area.

I went to the Savannah College of Art and Design and graduated with a BFA. I have been a traveling large scale mural artist for the last 4 years. Most recently participating in the Wynwood Mural Festival this last year for Art Basel.

My inspiration draws a lot from personal experience, vivid colors, and psychedelic themes.

I travel quite a bit for work but my roots are here in Florida, I started pursuing my career in art in Tampa about 9 years ago.

Also just a note, I spend half of my time between Tampa and half in Denver.</blockquote>
